DONATIONS FOR A HEARTFELT CAUSE

Battle for Bishop

Eric Bishop is a local staple of Daniels Elementary that needs help! Bishop- an Army veteran, and former police officer- now spends his time volunteering to coach and mentor the youth of our community. His world was shaken in December of 2020 when he was diagnosed with Stage 4 Liver Disease. Currently on the transplant list- he and his family could use the financial and emotional support of the community that he has given back to in so many ways for so many years. Please consider donating to this cause in exchange for an entry in our door prize drawing!
